August 2023 – September 2023

Remote

- Completed an internship as a Data Science Intern, applying the latest machine learning techniques to real-world problems.

### Coders Cave

Data Science Intern

August 2023 – September 2023

Remote

- Interned as a Data Scientist, learning from experts and contributing to real-world machine learning projects.

### Bharat Intern

Machine Learning Intern

August 2023 – September 2023

Remote

- Worked as a Machine Learning Intern, gaining experience in real-world machine learning applications and collaborating with professionals.

### TechnoHacks EduTech

Data Science Intern

August 2023 – September 2023

Remote

- Contributed to data science projects at TechnoHacks EduTech, collaborating with professionals and honing skills in a dynamic real-world environment.

### Info aidTech

Machine Learning Intern

August 2023 – September 2023

Remote

- Actively contributed expertise as a Machine Learning Intern at Info aidTech, immersing in projects utilizing cutting-edge ML techniques.

### Lets Grow More

Data Science Intern

August 2023 – August 2023

Remote

- Utilized expertise as a Data Science Intern at LetsGrowMore, working on projects involving advanced machine learning techniques.

### Capabl

Full Stack Engineer Intern

June 2023 – July 2023

Remote

- Completed an internship at Capabl as a Full Stack Engineer Intern, gaining enriching experience in various aspects of software development, and demonstrating strong expertise in Python and Java programming.
